

Great Blending at hand

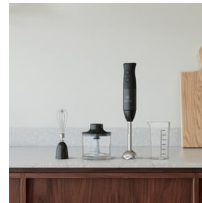

Create everyday delicious blending with the TruFlow® technology. The Create 4 hand blender gives you power, comfort and great mix. Your go-to kitchen appliance.

Specifikace a benefity

Optimal Blending with TruFlow® technology

The Truflow® technology with unique mixing foot and optimized blade design blends ingredients with precision - resulting in tasty, perfectly blended results.

Versatile accessories for everyday recipes

Smoothies, salsas, purees, soup or chopped onions. This multifunctional kitchen tool will take you further as a home chef. The hand blender comes with whisk, beaker and mini chopper accessories.

600W Powerful Motor

The powerful motor gives you the opportunity to create soups, batters, pesto and sauces easily – with smooth and delicious results for you and the family.

Turbo function for instant power boost

Turbo button gives direct access to full power of the 600W, resulting in quick and smooth mix. Use this function when you want to save time, or at the end of the mixing.

BPA free

Designed with BPA-free parts, the Create 4 hand blender is suitable for blending a variety of recipes, even healthy baby food.
